RE: Bill Adams
Chairman, Pack 3069

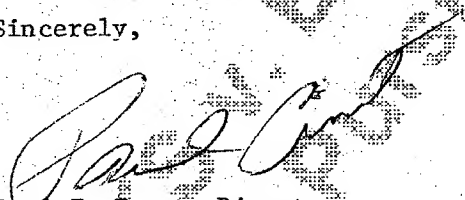

Dear Mr. Beckner:

Thank you for your reply to our identification questionnaire concerning Bill Adams. From the information you provided, it is certain that this is the same man as one we have on our Confidential File.

When informing Mr. Adams about this, simply tell him that the National Council does not wish to accept his registration in the Boy Scouts of America. If Mr. Adams should raise any questions as to reason, you might indicate to him that registration in the Boy Scouts of America is a privilege and not a right and that National Council reserves the prerogative to accept those individuals it feels will best serve the interests of the organization.

We are herewith enclosing a credit notice of \$3.50. Please delete Mr. Adams' name from your records.

Sincerely,

Re: William Dale Adams, Jr.
Asst. Scoutmaster, Troop 895

Dear Johnny:

We received a letter dated November 6 from your Director of Field Service, Max Elliott, concerning William Dale Adams, Assistant Scoutmaster of Troop 895. We have placed this confidential information in our file and have taken steps to have his name deleted from our records.

Enclosed is a confidential record sheet which we would appreciate your filling out and returning to us as soon as possible. In addition to the record sheet, we will need substantiating documents, such as the court record or a newspaper clipping and a detailed letter giving us the facts. This is most important for future reference purposes and it would certainly strengthen our position of refusing to accept any future application for registration we might receive from this individual. We would also appreciate notification of the dispensation of Mr. Adams' case, when it comes to court.

Sincerely,

Earl L. Krall, Director

EXTRACTS FROM THE CHARTER AND BYLAWS OF THE BOY SCOUTS OF AMERICA

Granting Commissions and Certificates of Membership

All persons serving in any official relationship with the Boy Scouts of America shall subscribe to the statement of religious principle . . . the Scout Oath and Law, and these Bylaws. Such persons shall be citizens of the United States, or . . . shall have legally declared their intentions to become citizens of the United States, or, in the case of minors, shall take an oath of allegiance to the flag and Government of the United States, or shall satisfy the requirements of Article XVI, Section 6, Clause 4 with respect to visiting adult aliens. Article XVIII, Section 2.

Character Development, Citizenship Training, Mental and Physical Fitness

The purpose of the Corporation is as set forth in the original certificate of incorporation under the laws of the District of Columbia, dated February 8, 1910, and restated in the Act of Incorporation enacted by the Congress of the United States of America on June 15, 1916, as follows: "That the purpose of this corporation shall be to promote, through organization, and cooperation with other agencies, the ability of boys to do things for themselves and others, to train them in Scoutcraft, and to teach them patriotism, courage, self-reliance, and kindred virtues, using the methods which are now in common use by Boy Scouts." In achieving this purpose, emphasis shall be placed upon its educational program and the oaths, promises, and codes of the Scout program for character development, citizenship training, mental and physical fitness. Article I, Section 2.

Declaration of Religious Principle

The Boy Scouts of America maintains that no boy can grow into the best kind of citizen without recognizing his obligation to God. In the first part of the Scout Oath or Promise the boy declares, "On my honor I will do my best to do my duty to God and my country and to obey the Scout Law." The recognition of God as the ruling and leading power in the universe and the grateful acknowledgment of His favors and blessings are necessary to the best type of citizenship and are wholesome precepts in the education of the growing boy. No matter what the religious faith of the boy may be, this fundamental need of good citizenship should be kept before him. The Boy Scouts of America therefore recognizes the religious element in the training of the boy, but it is absolutely nonsectarian in its attitude toward that religious training. Its policy is that the home and the organization or institution with which the Scout is connected shall give definite attention to his religious life.

Only persons willing to subscribe to this declaration of principle shall be entitled to certificates of leadership in carrying out the Scout program. Article II, Section 2.
